PROFESSIONAL SUMMARY

This is a two to three sentence optional section where you can state what you are interested in, what you current do and/or what you have done before. It is similar to an abstract on a research paper and should be a quick overview of your resume. This is written in third person objective point of view and does not include pronouns like "I, my, my".

EDUCATION

- *Put bullets here that show what experiences you learned the most from*
- *Write about any unique experiences you may have had that others did not get to do/see*
- *You can write about one instance and you can start with verbs like "learned" "observed"*
- *Take notes during your clinical that will help you remember what you did later, note numbers (how many patients/bed/floor, how many patients you saw, how many procedures you did)*
- *If you had a clinical capstone you can include it in this section OR make it it's own section above*

RESEARCH EXPERIENCE

Thomas Jefferson University, Philadelphia, PA

Research Assistant, Department of Biology

March 20XX – December 20XX

- *This is an example of how you can format a promotion or different positions in the same organization/company*
- *When writing bullets for your research include details such as what tasks you did specifically, what technology/machines/computer programs you used,*
- *Make sure to write about core/transferable skills such as collaboration, communication, teamwork, etc.*

Intern, Department of Biology

August 20XX – March 20XX

- *Developed and designed Master's research project involving the effect of metformin on women with polycystic ovarian syndrome and carried out research under the supervision of the Principal Investigator*
- *Coached undergraduate students in learning new laboratory techniques by modeling techniques for small groups and working with students one on one to monitor progress*
- *Communicated weekly tasks to undergraduate students and reported progress of both my duties and undergraduate student duties in weekly meetings with PHD students and principal investigator*

Penn State University, State College, PA

Undergraduate Research Assistant, Department of Biology

- For experience that is less relevant, older, etc you do not need to have many bullets in each section

PROFESSIONAL ASSOCIATIONS

American Academy of Physician Assistants

Physician Assistant Educational Association

- Member of the graduate student committee

- In activities/volunteer/leadership sections you can write one or two (or more!) bullets about what you did/accomplished as needed

Health Mentors Program, Jefferson College of Inter-Professional Practice September-December 20XX

- *You can write a bullet about the person you assisted as long as you do not include identifying information*
- *It can be helpful to have a bullet about working/collaborating inter-professionally*
- *If you had a solution or something you did to assist your mentor, you can write about that as well*

OTHER EMPLOYMENT EXPERIENCE

CVS Pharmacy, Philadelphia PA 2020-Present

Pharmacy Technician

- Write bullets about other employment that match skills you see they are looking for in the job description at the top
- Educated patients on new medications, new dosages, or other medical changes to ensure they understood what they were taking and would take medication as prescribed

TGIFriday’s, Philadelphia, PA 2013-2019

Waitress

- When you are writing about work experience that is not directly relevant to the job to which you are applying, write about core/transferable skills that the job is looking for or that directly relate to OT
- Served up to 200 patrons per shift ensuring that the customer received clear and direct communication, excellent service, and deescalated problems as they arose

Hostess

- If you have a job in which you received a promotion, you can stack the job titles like this and put different bullets under each section

**other notes – as a PA you have the education and experience to use two pages! There is no limit to bullets in each section, and your font can be size 10-12, with margins from size 0.5-1.0.*
