

Class of 2015 First Destination Survey

PHILADELPHIA
UNIVERSITY

This survey includes data from undergraduate students who graduated in August 2014, December 2014, and May 2015. Statistics are derived from a time period of 6-9 months post-graduation and a survey collection pool of 465 graduates from a total graduating class of 574 (representing an 81% knowledge rate). Response sources include: self-reported survey responses, faculty/staff outreach, and LinkedIn profile verifications. Of the 465 graduates with information provided, 95% (441) have reported post-graduation employment or graduate school acceptance. 72% (335) of responding graduates reported employment, 0.2% (1) is completing a year of service, and 22.8% (105) gained acceptance to graduate school. At the time of this report, 5% (24) of respondents indicated they were still seeking employment.
