Non-Academic Career Seminars Series Company Spotlight

This month's series features
AskBio, a biotech company
specializing in clinical-stage gene
therapy. **Learn about different
company roles!**
Stick around for a **live Q&A session**
at the end!

Friday October 7th 2022
2:00 – 3:00pm
Virtual Event
Meeting ID: 840 629 3141

**Philip Dana, Executive Vice
President and Chief Human
Resource Officer at AskBio**

**Expertise in team building and
achieving peak performance for
corporate groups**

**Anna Tretikova PhD, Senior Vice
President of Product Development
(and a TJU alumna!)**

**Expertise in translational science
spans protein structure-function,
antibody development, and cell &
genetic engineering**
